Clinical Trials Team

Mary Feng, MD ^[1]

Vice Chair for Clinical Research, Professor,
Department of Radiation Oncology

Ghezal Rashid

Clinical Research Coordinator

ghezal.rashid@ucsf.edu [2]

415-476-8099

Ghezal started with the Radiation Oncology department in April 2018. She moved to San Francisco from Raleigh, North Carolina, bringing with her five years of experience in early drug development. She graduated from the University of North Carolina at Chapel Hill with a BA in Chemistry. She occupies her free time by hiking with her dog, trying new restaurants, and enjoying the sunshine.
