## For Patients

### General Information

Thank you for choosing the Department of Radiation Oncology at UCSF. In order to give you the smoothest patient experience, we ask that you complete the new patient paperwork prior to your initial visit.

At your first visit you will need to bring your health insurance card(s), a photo ID, and your new patient paperwork (available for download [here](#)):

For General New Patients:

You may return your paperwork to us via email to [RadOncNewPatient@ucsf.edu](mailto:RadOncNewPatient@ucsf.edu) [3], fax (415) 353-9883, or print it out and bring it to your appointment.

You can also complete your forms through UCSF MyChart [4].

MyChart also allows you to:

- Send messages to your health care provider
- Refill a prescription
- Check lab results and graph your trends
- View electronic health information
- Request an appointment or a referral
- Access your child's medical records if your child is 11 years old or younger
- Access some of your adolescent's medical records if your child is 12 to 17 years old
- View information about past visits and upcoming appointments

If you have any additional questions, please contact us by phone at (415) 353-7175 or by email at [RadOncNewPatient@ucsf.edu](mailto:RadOncNewPatient@ucsf.edu) [3]

For Proton Ocular Therapy Patients, please contact us by phone at (415) 353-9807 or by email at [OcularRadOncNP@ucsf.edu](mailto:OcularRadOncNP@ucsf.edu) [5]

We may ask that your referring provider download the form below and send us the information by email, fax, or mail:
