Atchar Sudhyadhom

Atchar Sudhyadhom, Ph.D.

Assistant Professor
Division of Physics
Department of Radiation Oncology

University of California, San Francisco
Box 1708, 1600 Divisadero St., H1031
San Francisco, CA 94115

Phone: 415 353-9993

Fax: 415 353-9883

Email: Atchar.Sudhyadhom@ucsf.edu ^[1]

Professional Focus

Dr. Sudhyadhom's clinical concentration is in the area of highly focused therapies such as stereotactic radiosurgery (SRS), stereotactic body radiation therapy (SBRT), and high-dose rate brachytherapy (HDR) and he is currently part of the UCSF CyberKnife group. His research has focused on methods to improve the accuracy of these types of therapies through developments in image guidance methods and small field dosimetry.

Education

2014	University of California, San Francisco	Residency	Radiation Oncology
2012	University of Florida, FI	Post- Doctoral	Neurosurgery
2010	University of Florida, FI	PhD	Medical Physics
2005	University of Florida, FI	MSc	Medical Physics
2003	University of Florida, FI	BS	Physics and Chemistry

Professional Experience

2014-2016	UCSF	Clinical Instructor	Department of Radiation Oncology
2016-present	UCSF	Assistant Professor	Department of Radiation Oncology

Awards & Honors

2011 AAPM "Best in Physics" in Imaging
